

Thesis Application Form

Master's Programme Integrated Urban Development and Design

according to §6 and §17 Examination Regulations

Submit this form **prior to starting your master thesis** and not later than **April 10** (for thesis started in Summer Semester) or **October 10** (for thesis started in Winter Semester) to register for master thesis at the secretary of the ifex. Before handing in the form you require your **first and second supervisor** to sign it or to confirm by email, as a **Declaration of Acceptance** to supervise your topic. **Discuss your proposal early enough** with them, preferably based on a brief project proposal (1 to 2 pages).

I am applying to register for writing my Master's Thesis in

Signature of Thesis Applicant

For further details, please consider the leaflet "**Master's Thesis Procedure for the IUDD Master's Programmes Reflective Urban Practice (RUP) and Advanced Urbanism (AdUrb)**".

**If you wish to request a non-departmental supervisor outside the study programme or university to be your second supervisor, this has to be approved by the examination board. You are then required to hand in a written request to the examination board in advance, including adequate reasons for proposing an external supervisor. Include a short CV for persons from outside Bauhaus-Universität and their agreement to supervise you (E-Mail).
