

Information
about the registration period for all exams of the Winter Semester 2020/21
and the examination phases

According to an order of the examination board, the registration for the examinations of all courses at the Faculty of Civil Engineering in the Winter Semester 2020/21 is possible

from November 30 2020 to January 29, 2021

in the bison-Portal for all enrolled students.

A removal from the registration list can be carried until one week before the examination phase WS 2020/21 (last date: **08.02.2021**), only, and exclusively in the examination office.

A **withdrawal** from the registration list can be carried online until **08.02.2021**.

The examination phase for the Winter Semester 2020/21 is taken place in the period

from February 15 to March 05, 2021.
