

Weimar, 9th October 2024

Information
about the registration period for all exams of the Winter Semester 2024/25
and the examination phases

According to an order of the examination board, the registration for the examinations of all courses at the Faculty of Civil and Environmental Engineering in the Winter Semester 2024/25 is possible

from 4th November to 23rd January 2025

in the bison-Portal for all enrolled students.

Important:

Please be aware that special requests can no longer be taken into account!

A withdrawal can be made independently in the bison portal until 10.02.2025

A removal from the registration list can be carried out until one week before the examination phase of the Winter Semester 2024/25 (date: 10th February 2025), only, and exclusively in the examination office.

The examination phase of the Winter Semester 24/25 takes place in the period

from 17th February to 07th March 2025.

Prof. Dr. Morgenthal
Chair of Examination Committee
