

**Application for admission to the final examination in
the study programme Digital Engineering (PV 19)**

Name, first name: _____ Matriculation number: _____

Date of birth: _____ Place of birth: _____

Proof of performance

Fundamentals (18 ECTS)

Modelling (18 ECTS)

Simulation and Validation (18 ECTS)

Visualization and Data Sciences (18 ECTS)

Project (12 ECTS) _____

Electives (12 ECTS) _____

- Certificate of matriculation
- proof of language competence: A1 level German and C1 level English
- Initial Research Mastermodule
- Letter of Admission (Admission with additional requirements)
- Release Declaration (filled and signed by the first supervisor)

Topic of Master's thesis:

First Examiner: _____ Second Examiner: _____

Signature First Examiner: _____

I hereby declare that I have not definitively failed any final degree examination in the same or a related study program and that I am not currently undergoing any such final examination procedure.

Place, date, signature student

Examination Office:

checked on _____ beginning _____ official submission _____ submitted _____

**Application form Initial Research
study programme Digital Engineering (PV 19)**

Name, first name: _____ Matriculation number: _____

Date of birth: _____ Place of birth: _____

Start of Initial Research: _____

Title of Initial Research:

Topic of Initial Research:

Supervisor: _____

Signature supervisor: _____

Signature student: _____

Successful conclusion:

Date

Signature supervisor

Bauhaus-Universität Weimar
Faculty of Civil Engineering/Faculty of Media
Study Programme Digital Engineering

Topic/Title of Completed Work

Master's Thesis

First Name Surname

Matriculation Number 01234

b. 01.01.1984 in Entenhausen

First Referee: Prof. Dr. Daniel Düsentrieb

Second Referee (if known): Prof. Albert Einstein

Submission date: 31. February 2030

Notes on the title page

- The title page with the given layout must be included in the thesis.
- Name and year must be clearly legible on the reverse of the binding.
- If possible, the title of the thesis should also be clearly legible on the reverse of the binding.
- The names of any external supervisors are not to appear on the flyleaf (covering page).
- The referees will be chosen in agreement with the supervising professorship.
