Instructions for the layout of manuscripts and summaries

The papers of IKM 2012 are to be published on CD. So we request you to keep in mind the following hints:

Please send 2 documents: **the manuscript** of your paper   and
a short summary

1. Manuscript

Submit your manuscript via our conference management system as a **pdf-file**
Generate the name of this file in the following manner:

man_XXX . pdf   where XXX is your **paper ID** (e.g.: man_065.pdf)

Your manuscript should not be more than 20 pages (including pictures and formulae)

On the homepage of the conference you can find a zip-archive "Manuscript_Template_IKM2012.zip" with an instruction file "Manuscript_Template_IKM2012_LaTex.pdf" .
In the zip-archive you also can find a template
"Manuscript_Template_IKM2012_LaTex.tex" for generating a LaTex-file (including style files) and a template
"Manuscript_Template_IKM2012_Word.doc" for Word.

2. Summary

Your summary is to be printed. It should not be longer than ½ page, text only. Do not include pictures and formulae.
Send your summary as a **doc-file** via email to: ikm@uni-weimar.de
Generate the name of this file in the following manner:

sum_XXX . doc   where XXX is your paper **ID** (e.g.: sum_265.doc)

Layout of the text:	fonts:	Times New Roman
	basic typesize:	11pt
	line spacing:	single
	headline:	12pt, bold face

Example for Summary file:
_____

On the Klein-Gordon equation on the 3-torus

Torsten Müller   Werner Himmelblau
Cracow University of Technology   University of Palermo

We present a computational steering based system for fluid flow problems in civil engineering. It is based on three …
_____

3. Deadline

Deadline is **25 June 2012**

In case you have any problems with sending your documents, please, do not hesitate to contact the organizing office.
