SCIENCE MILE Q3

15. July 2022

15:00 – 18:00

VTE, Coudraystr. 4

Chair of Advanced Structures presents

Erasmus+ Strategic Partnetship project

PARFORCE: Partnership for virtual laboratories in civil engineering

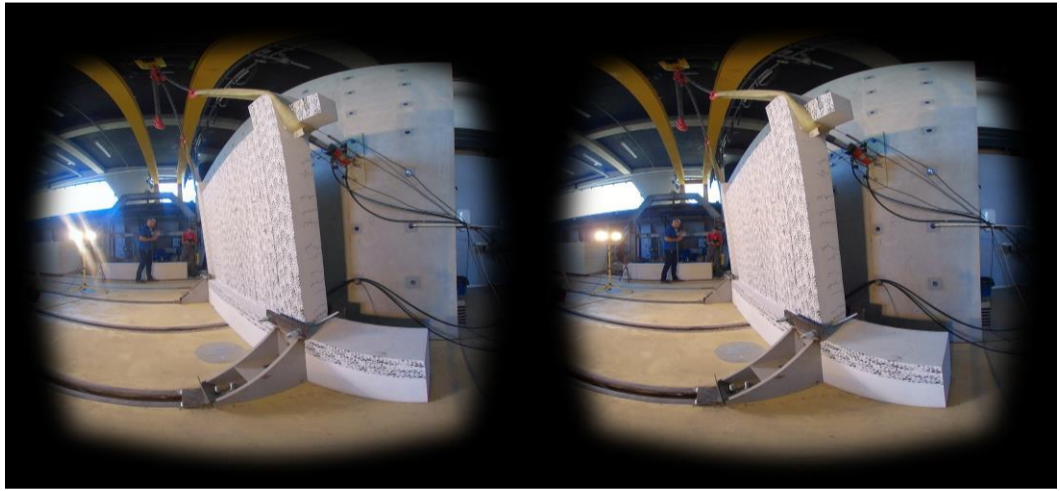

© IKI, Bauhaus-Universität Weimar ; Monoscopic Panoramic view from inside the wind tunnel

© WIST, Ruhr-Universität Bochum ; Monoscopic Panoramic view of the wind tunnel hall

COME TAKE A DIVE INTO VIRTUAL LABORATORIES:

we are presenting lab experiments in the wind tunnel and fire resistance tests using Virtual Reality (VR) tours. Test our tours on VR glasses or your smartphone and give us your feedback! Happy touring!
