

Bauhaus-Universität Weimar

Studying at the Bauhaus-Universität Weimar

Which degree programmes does the university offer?

What makes Weimar so special to study here?

Who supports me if I have any questions?

Bauhaus-

Experiment as Philosophy

1860 Founded as "Großherzoglich-Sächsischen Kunstschule" by Grand Duke Carl Alexander

1902 Henry van de Velde came to Weimar, founded the "Kunstgewerbeschule" and built the main building in 1907

1919 Walter Gropius as new director, fusion of both schools as „Staatliches Bauhaus Weimar“, supported by famous artists of the Modernism and International Style (Feiniger, Klee, Kandisky, Schlemmer, Itten...)

1951 New focus in teaching as „Hochschule für Architektur und Bauwesen“, since 1954 , department of art moves to Berlin, Dresden and Leipzig

1993 Faculty of Design was reestablished by Lucius Burckhardt to teach new aspects of contemporary art and design

1996 Foundation of Faculty of Media and new name „Bauhaus-Universität Weimar“

2010 University celebrates 150th anniversary

2019 University is part of the centenary »100 Jahre Bauhaus-Gründung«

Universität

- *4.073 students, about 30 percent internationals*
- *70 professors and 15 junior professors*
- *270 academic and artistic staff*
- *about 170 project staff*
- *9 Bachelor's degree programmes*
- *25 Master's degree programmes*
- *1 PhD programme*
- *2 doctoral programmes*
- *1 Diploma degree programmes*
- *2 degree programmes for teaching*

Architecture and Urbanism

Civil Engineering

Art and Design

Media

Architecture and Urbanism

Civil Engineering

_One of the biggest faculties in Germany

_Studies in a design-oriented manner on basis of real tasks

_Future architects as mediators between art and technology, building theory and urban planning, design and humanities

_A universal, modern education forms solid basic qualification for occupation

Studying Architecture and Urbanism

Architektur

Bachelor of Science [6]

Urbanistik

Bachelor of Science [8]

Prezi

Architektur

Architektur
Master of Science [4]

Urbanistik
Master of Science [2]

European Urban Studies (English)
Master of Science [4]

*Integrated Urban Development
and Design (englisch)*

_Advanced Urbanism (English)
Master of Science [4]

_Reflective Urban Practice (English)
Master of Science [4]

Master of Science [4]

_International MediaArchitecture
Master Studies (English)
Master of Science [4]

Europäische Urbanistik
International doctoral programme
Dr.-Ing., Dr. phil. [6]

Architecture Urbanism

Civil Engineering

Art and Design

_Unique in Germany's scientific broad-based teaching and research with 65 years of experience

_Good equipment with modern laboratories, seminar and group rooms

_Very good support situation

_Focus on research expertise: building materials science, constructive engineering and structural mechanics

Studying Civil Engineering

Bauingenieurwesen
Bachelor of Science [6]

Management
[Bau Immobilien Infrastruktur]
Bachelor of Science [6]

Umweltingenieurwissenschaften
Bachelor of Science [6]

*Bauingenieurwesen - Konstruktiver
Ingenieurbau*

Master of Science [4]

Umweltingenieurwissenschaften

Master of Science [4]

Management

[Bau Immobilien Infrastruktur]

Master of Science [4]

Baustoffingenieurwissenschaft

Master of Science [4]

Digital Engineering (English)

Master of Science [4]

*Natural Hazards and Risks in Structural
Engineering (englisch)*

Master of Science [4]

Civil Engineering

Art and Design

Media

_Interdisciplinary project study

_Workshops equipped with the latest technologies: from the classic wood, metal, printing, plaster and mould making workshop up to the photo and video workshop as well as the computer labs

_Studying through inspiring exchanges with others

_Career orientation and scientific support

Studying Art and Design

*Freie Kunst
Diplom [9]*

*Lehramt an Gymnasien:
Doppelfach Kunsterziehung
I.Staatsprüfung [10]*

*Lehramt an Gymnasien:
Kunsterziehung im Zweifachstudium
I.Staatsprüfung [10]*

*Medienkunst/Mediengestaltung
Bachelor of Fine Arts [8]*

*Produktdesign
Bachelor of Arts [8]*

*Visuelle Kommunikation
Bachelor of Arts [8]*

Produktdesign
Master of Arts [2]

Visuelle Kommunikation
Master of Arts [2]

Public Arts and New Artistic Strategies (English)
Master of Fine Arts [4]

Medienkunst/Mediengestaltung
Master of Fine Arts [2]

Media Art und Design (English)
Master of Fine Arts [2]

Kunst und Design
Philosophiae Doctor [6]

Art and Design

Media

_Approach to the topic of media through involvement of scientific, technical and economic aspects

_Good equipment encourages experimentation-possibilities

_Project study promotes interdisciplinary independence

Studying Media

Medienkultur

Bachelor of Arts [6]

Europäische Medienkultur (Ge, Fr)

*Bachelor of Arts, Licence Information
Communication [6]*

Informatik

Bachelor of Science [6]

Medienwissenschaft
Master of Arts [4]

Filmkulturen – Extended Cinema
Master of Arts [4]

Medienmanagement
Master of Arts [4]

Digital Engineering (English)
Master of Science [4]

Computer Science for Digital Media (English)
Master of Science [4]

Human-Computer Interaction (English)
Master of Science [4]

DEGREE PROGRAMMES 2020

—
Architecture and Urbanism
Civil Engineering
Art and Design
Media

Admission Requirements - Bachelor

University Admission

High School Diploma

Without further conditions

Bauingenieurwesen, Umweltingenieurwissenschaften, Management [Bau Immobilien Infrastruktur], Informatik, Medienkultur

Enrollment Deadline by 30 September 2020

Further conditions

Artistic Aptitude Test

Freie Kunst, Lehramt an Gymnasien Kunsterziehung, Visuelle Kommunikation, Produktdesign, Medienkunst/Mediengestaltung

- informal application (portfolio if necessary, letter of motivation)
- Homework
- Aptitude test
- If necessary, conversation

Application Deadline by 31 March 2021

Aptitude Assessment

Architektur, Urbanistik, Europäische Medienkultur

- Application with High School Diploma
- letter of motivation)
- Hausaufgabe (Architektur & Urbanistik)
- If necessary, conversation

Deadlines: www.uni-weimar.de/studies
