Target group of this event

lecturers of Bauhaus-Universität Weimar who want to organise a BIP at a partner university and take their students with them.

BUW Partner
universities

BIP website
for lecturers

‘Blended Intensive Programmes’ (BIPs) are international teaching projects in a **blended format**.

3 universities from **3 European countries** work together on a topic.

All participants meet for a **short stay abroad (usually 5-7 days)** at one of BUW’s partner universities.

This stay abroad can be funded with an **ERASMUS scholarship** under certain conditions.

What do I need to consider when planning my BIP course?

How specific must the course concept be at the time of application?

Can the BIP be part of a regular course in the semester?

Does the BIP have to take place at a partner university of Bauhaus-Universität Weimar?

Where can I find the partner universities of Bauhaus-Universität Weimar?

A mind
example

YOU ...

- ✓ plan a semester course at BUW with e.g. 6 ECTS.
- ✓ e.g. 3 out of 6 ECTS will be achieved within the BIP part of the course.
- ✓ e.g. 20 students of BUW will join your course.
- ✓ have min. 2 colleagues at min. 2 European partner universities of BUW with whom you have been working before.
- ✓ could imagine to start a joint teaching project with these 2 colleagues.
- ✓ get in touch with them and they like your idea.
- ✓ discuss contents and a rough schedule with them.
- ✓ register your course with us.

WE ...

- ✓ consult you in planning your course to check if it is eligible to be considered a BIP course.
- ✓ support you in clarifying organisational questions with the partner universities.
- ✓ take care of the administrative side of the ERASMUS funding for students and staff.
- ✓ guide you and the students through the ERASMUS process.
