

Checklist for ERASMUS KA107 Incoming Students at Bauhaus-Universität Weimar in Summer Semester 2022

Dear KA107 scholarship holder,

Being selected by your home university for an ERASMUS KA107 scholarship is a sign of appreciation for your academic achievements and commitment!

As your exchange takes place within the framework of the ERASMUS programme of the European Union, there are certain bureaucratic requirements to which we and you must adhere. Essentially, this involves the submission of a set of documents. To make it easier to keep track, we have created this checklist for you.

Together with the [contact person\(s\) at your Bauhaus-faculty](#), we (the International Office) will support you in preparing and submitting the documents!

The checklist is divided into 3 sub-sections, which follow the chronology of steps you need to take:

Checklist 1: before your arrival

Checklist 2: after your arrival

Checklist 3: before leaving Weimar

Please feel free to contact us at any time if you have any questions (incoming@uni-weimar.de) or visit our [website for ERASMUS KA107 incoming exchange students](#). We look forward to welcoming you to Weimar soon!

Important Notes

Please note that this checklist only includes your KA107 Scholarship obligations. Therefore, please also read the general ["Checklist for Incoming Students"](#) carefully.

Each faculty at Bauhaus-Universität Weimar has its own International Counsellor. While we (the International Office) are your main contact point for organizational questions regarding your stay at Bauhaus-Universität Weimar, the International Counsellor can answer your questions concerning your studies (e.g. issuing the Learning Agreement) and faculty-specific questions (e.g. classes or access to workshops). Please find your International Counsellor [here](#).
