

Meet Your Career Peer

Looking for an Internship, Working Student Position or Master's Thesis Opportunity?

Do you feel unsure where to start?

You are not alone!

Students from University of Applied Sciences Jena have already successfully secured internships, working student positions, and Master's thesis opportunities — and now they want to share their experiences with you.

Our Students will present their strategies and personal experiences:

Vijay Senthil - ZEISS Group

Trupal Panchal - SCHOTT AG

Rounak Adhikari - Robertson Air Solutions

Date: 21 May 2026

Time: 5:00 p.m. – 6:30 p.m.

Location: Building 4, Room 04.03.10
Ernst Abbe University of Applied Sciences Jena

Language: English

Registration via Moodle
