

Hello there.

Hello there. Welcome to the wilderness. Wolf hunt sheep. Sheep eat grass. But you. You control them all. By moving.

How???

Find out.

Our system is tracking you.

Walk into the platform.

And find out.

Beginning now. Remember. Don't let the system die. I repeat. Don't. Let. The system. Die.

Please approach the screen and say your name - loud and clear.

I'm sorry, can you say that again?

Loud and clear, please.

That one's a classic!

You know what they say about a wolf in sheep's clothing???

No?

Nevermind.

Not bad. You catch on quick.

say "Why so serious?"

Humans, I tell you.

One at a time, please. Go.

Winning??? Who said anything about winning???

Do you really think you're playing Minecraft?

say "

say "It's a wolf eat sheep world out there"

say "Looks like no one wants to play"

say "Just spell it"

say "Just kidding"

say "Everyone gets different rules"

say "Pay attention"
