<p><b>Opinion:</b> <b>Round Tour: Ground Plot:</b></p> <p>The ground plot shows Ground plot map of the Speyer Cathedral which is divided into Tour, Imperial Hal and Crypt. This map gives whole view of the cathedral but also shows the restricted portions of the cathedral as well. Furthermore this drawn an attention towards the privacy of the building. Also it gives the idea to visitor which parts to visit first and so on according to available time.</p> <p>The next good option is the visiting schedule of the cathedral too. Which may be required to check before the visit.</p>
