Goethe's Gartenhaus... Haus am Horn Stadtschloss Weimar (Weim...

**Haus am Horn**

I am here

Built in 1923, this model house, known as the "Haus am Horn", is the only example of Bauhaus architecture to have been built in Weimar. It was conceived as a synthesis of all the different Bauhaus disciplines, an experiment with new forms of living, new ways of building and new building materials.

Goethe's House Duchess Anna Amalia Library Park by the Ilm

**Goethe's House**

I am here

This house on the Frauenplan square was built in 1709 in the Baroque style, and Johann Wolfgang von Goethe lived there for nearly fifty years until his death in 1832. The poet clearly stamped his Classical artistic ideals on the rooms. You can visit Goethe's and his wife Christiane's living rooms, the poet's study and library, his reception and art collection rooms and the house's garden.

Goethe's House Duchess Anna Amalia Library Park by the Ilm

**Duchess Anna Amalia Library**

I am here

The main building is the Green Castle, which was built from 1562-1565. From 1761 to 1766, Duchess Anna Amalia had it converted into a library building with a distinctive three-storey Rococo hall. From 1779 to 1832, it was
