

Mycelium likes the same materials like me.

- coffee (to drink)
 - cardboard (to do projects with)
 - air 20-26 °C (to breathe)
 - Straw (to sleep in it)
 - Potatoes (to eat it)
Spargel...
 - dextrose (Sugar of course)
 - yeast (to eat in bread)
 - agar (in veggie sweets)
 - water (to drink it)
-
- Can I live like mycelium?
 - How long?
