Property App

Global FM-Issues addressed

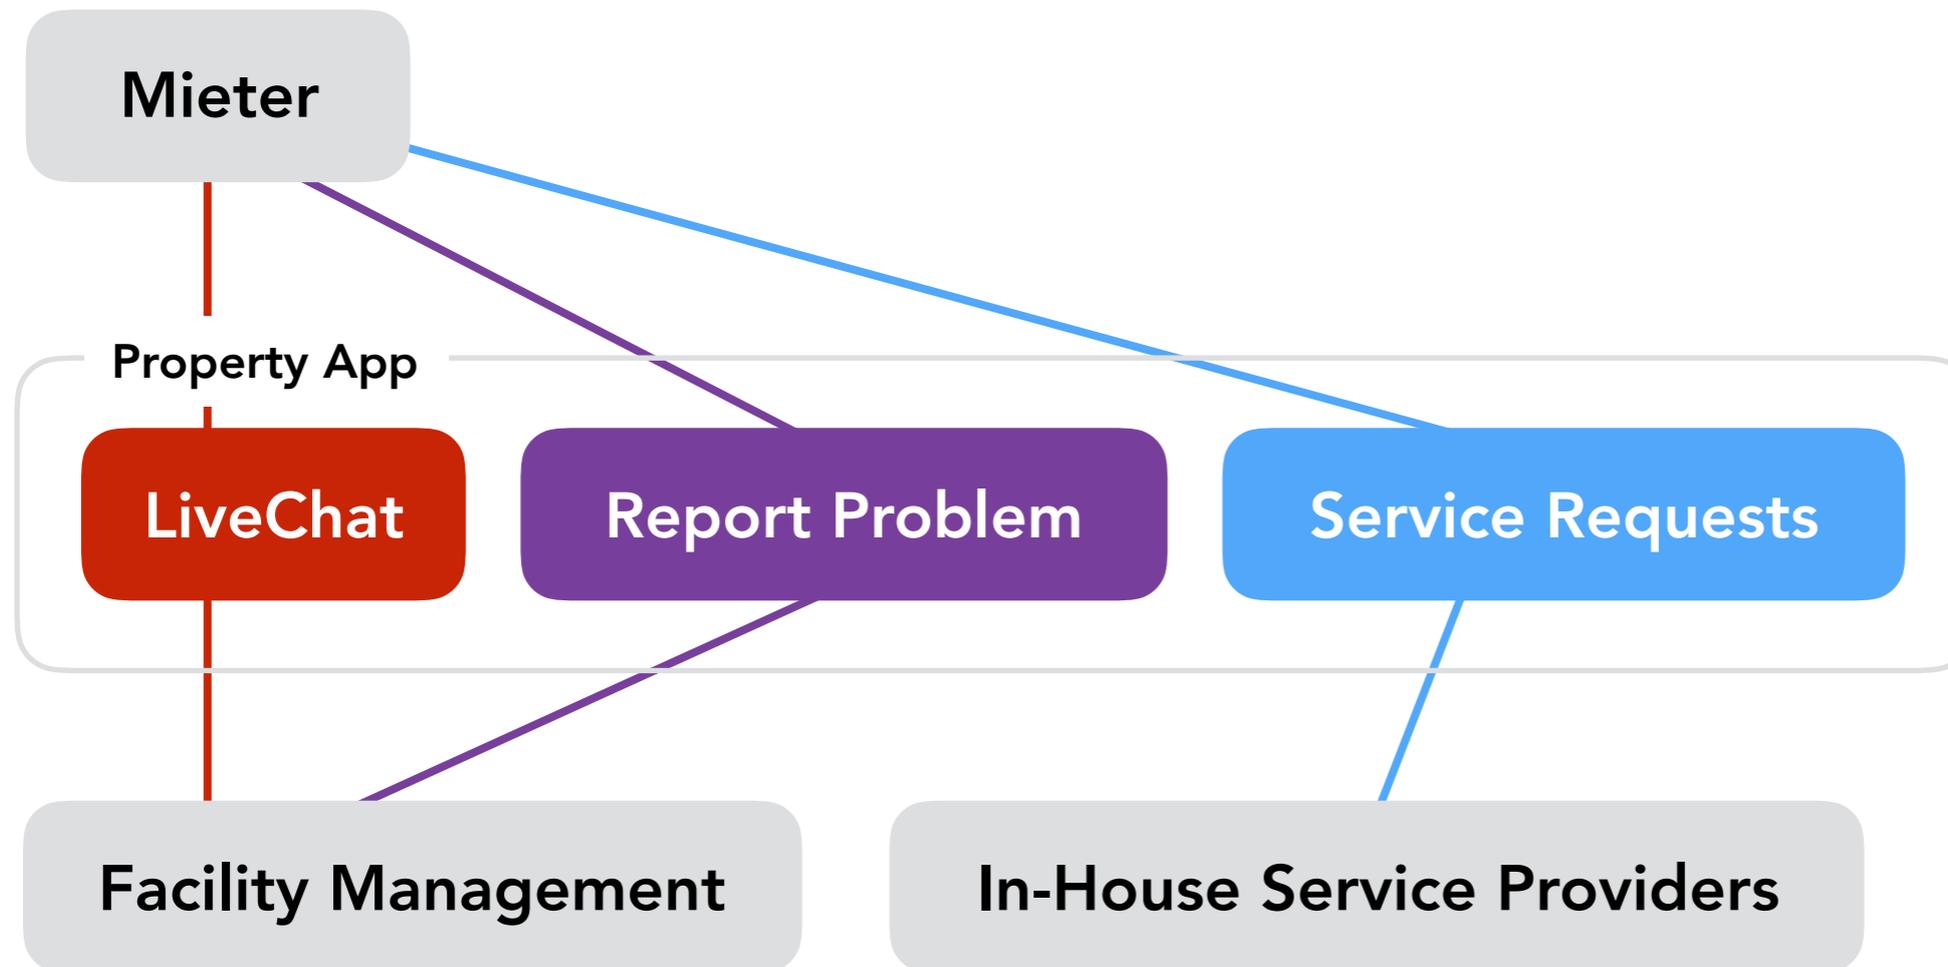

Vision Zero

**Live Statistics of Gas,
Water and Energy**

**Controlled Access to non-
Consumer Smart home appliances**

**Demand for Cost-
effective solutions**

**Communication with
Services/Caretakers**

Hassle-free connection between tenants, facility management and in-house service providers.

In-House Services

Automated and direct Access to In-House Services.

Services can be added later on,
which makes Property App to a platform.

Laundry

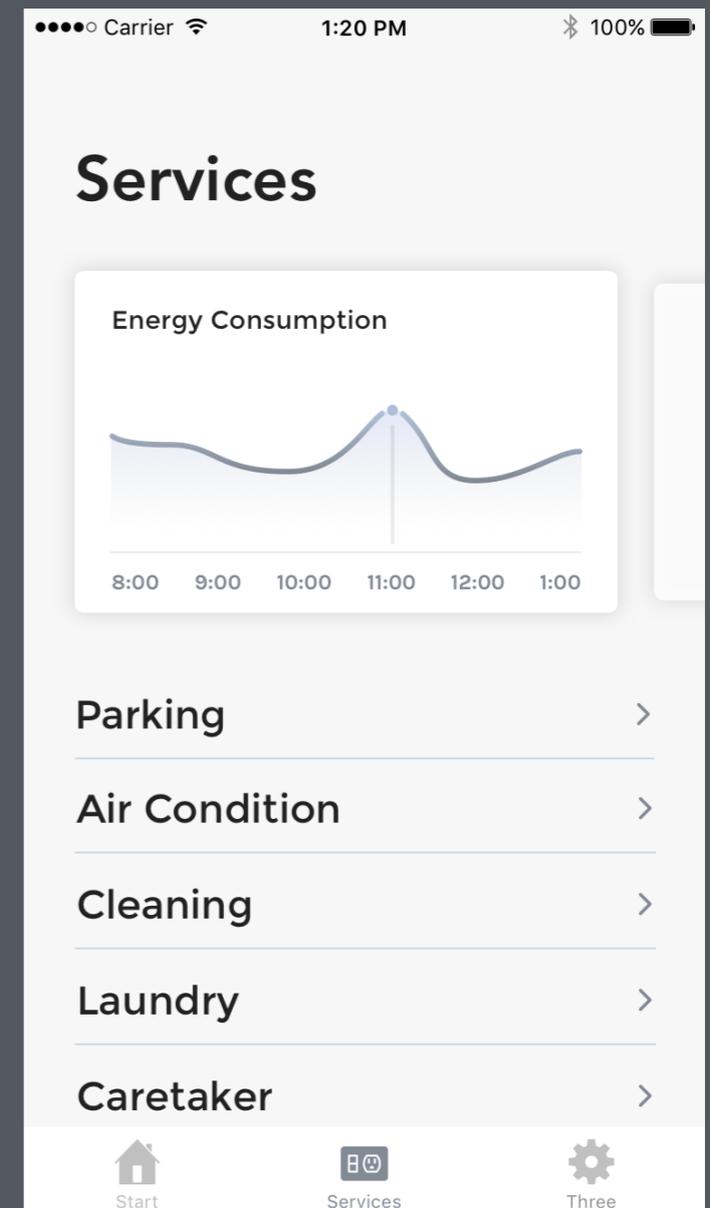

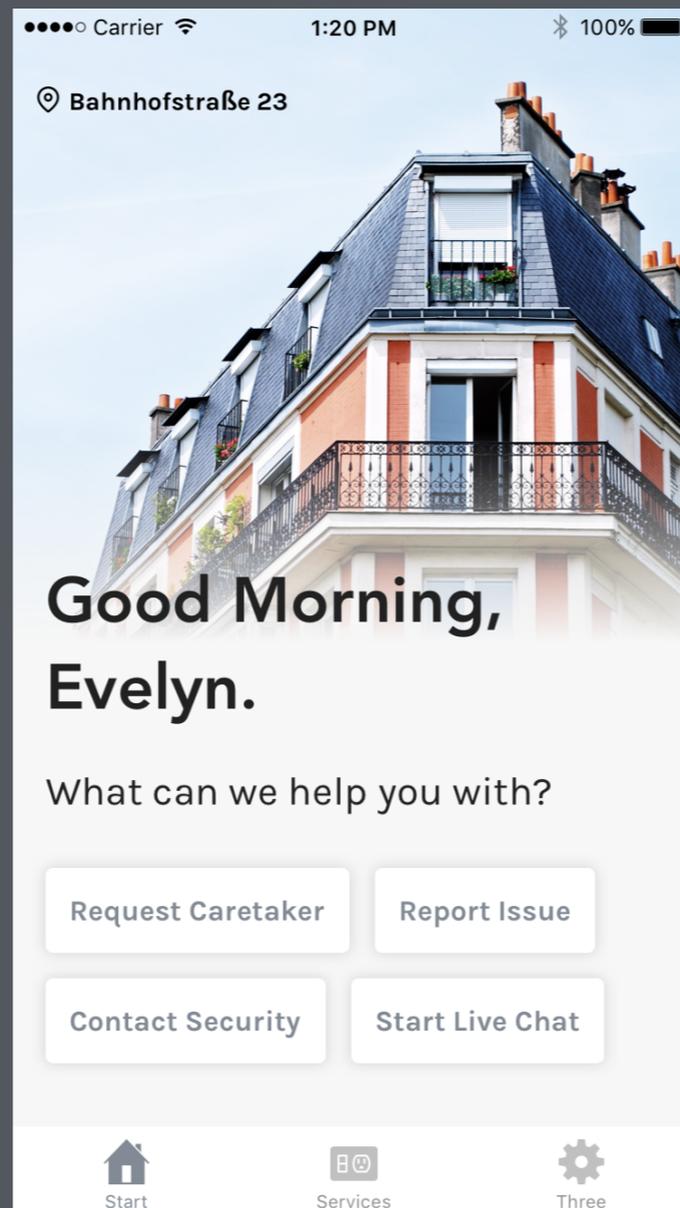

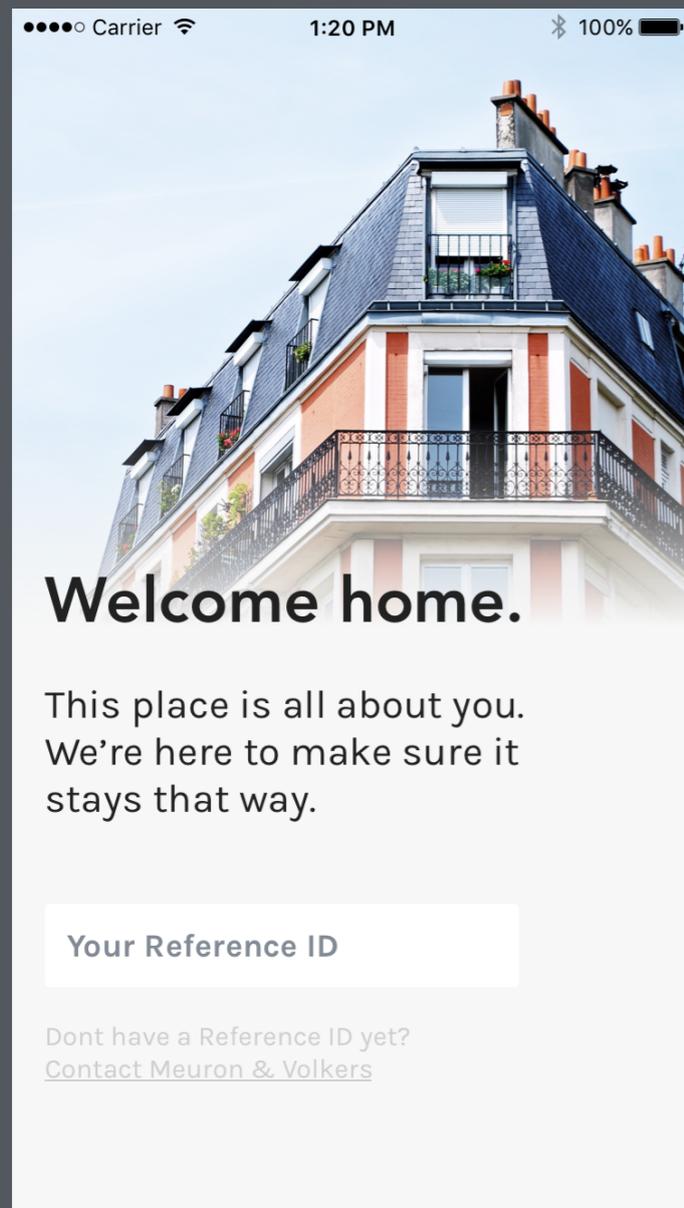

Caretaker/Live Chat

Parking
