

PERSONAL WEBSITE

Xiaoxi Zheng

1 WHAT I WANT TO DO

THE PURPOSE

1. benefit for jobs
2. benefit for quick know each other
3. benefit for overall presentation

THE ● USERS

1. Designers
2. Students
3. Professors

THE CONTENT

The resource of this website will mostly come from my portfolio.

1

The Structure

About

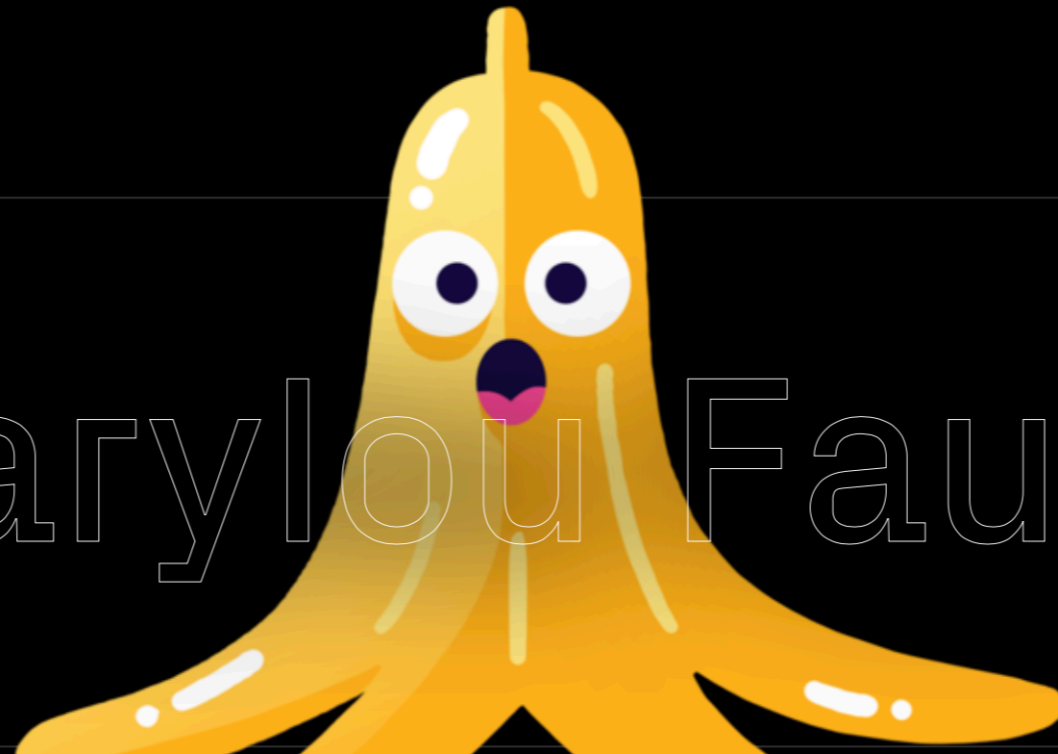

1. introduction
2. experience
3. skills
4. awards
5. contact

Projects (5-7)

- each project has:
1. one main picture
 2. three to five process pictures
 3. a piece of words

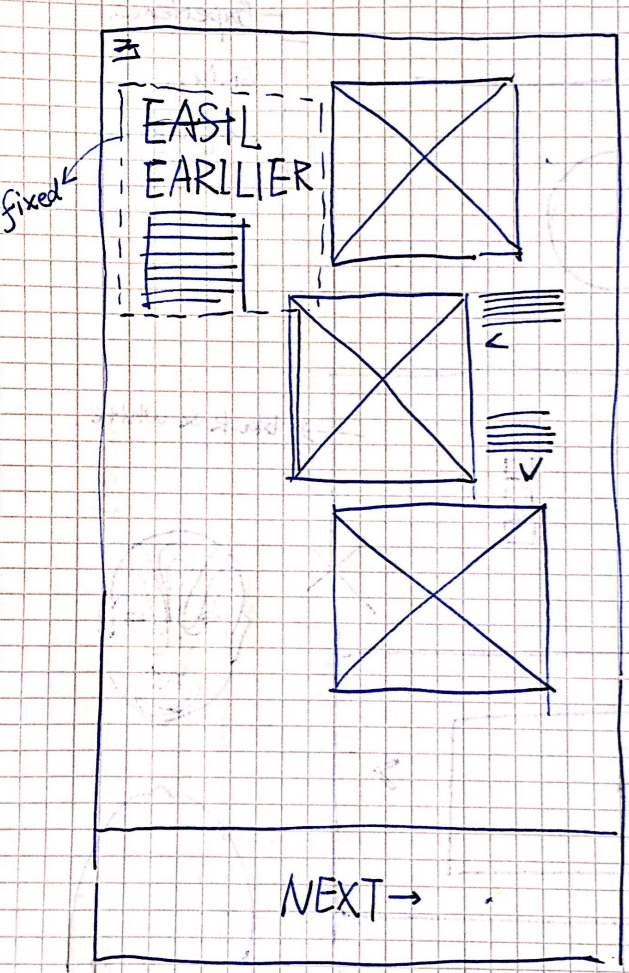

2 WHAT IS MY CONCEPT

Urban Fruit

User test

● Disadvantages

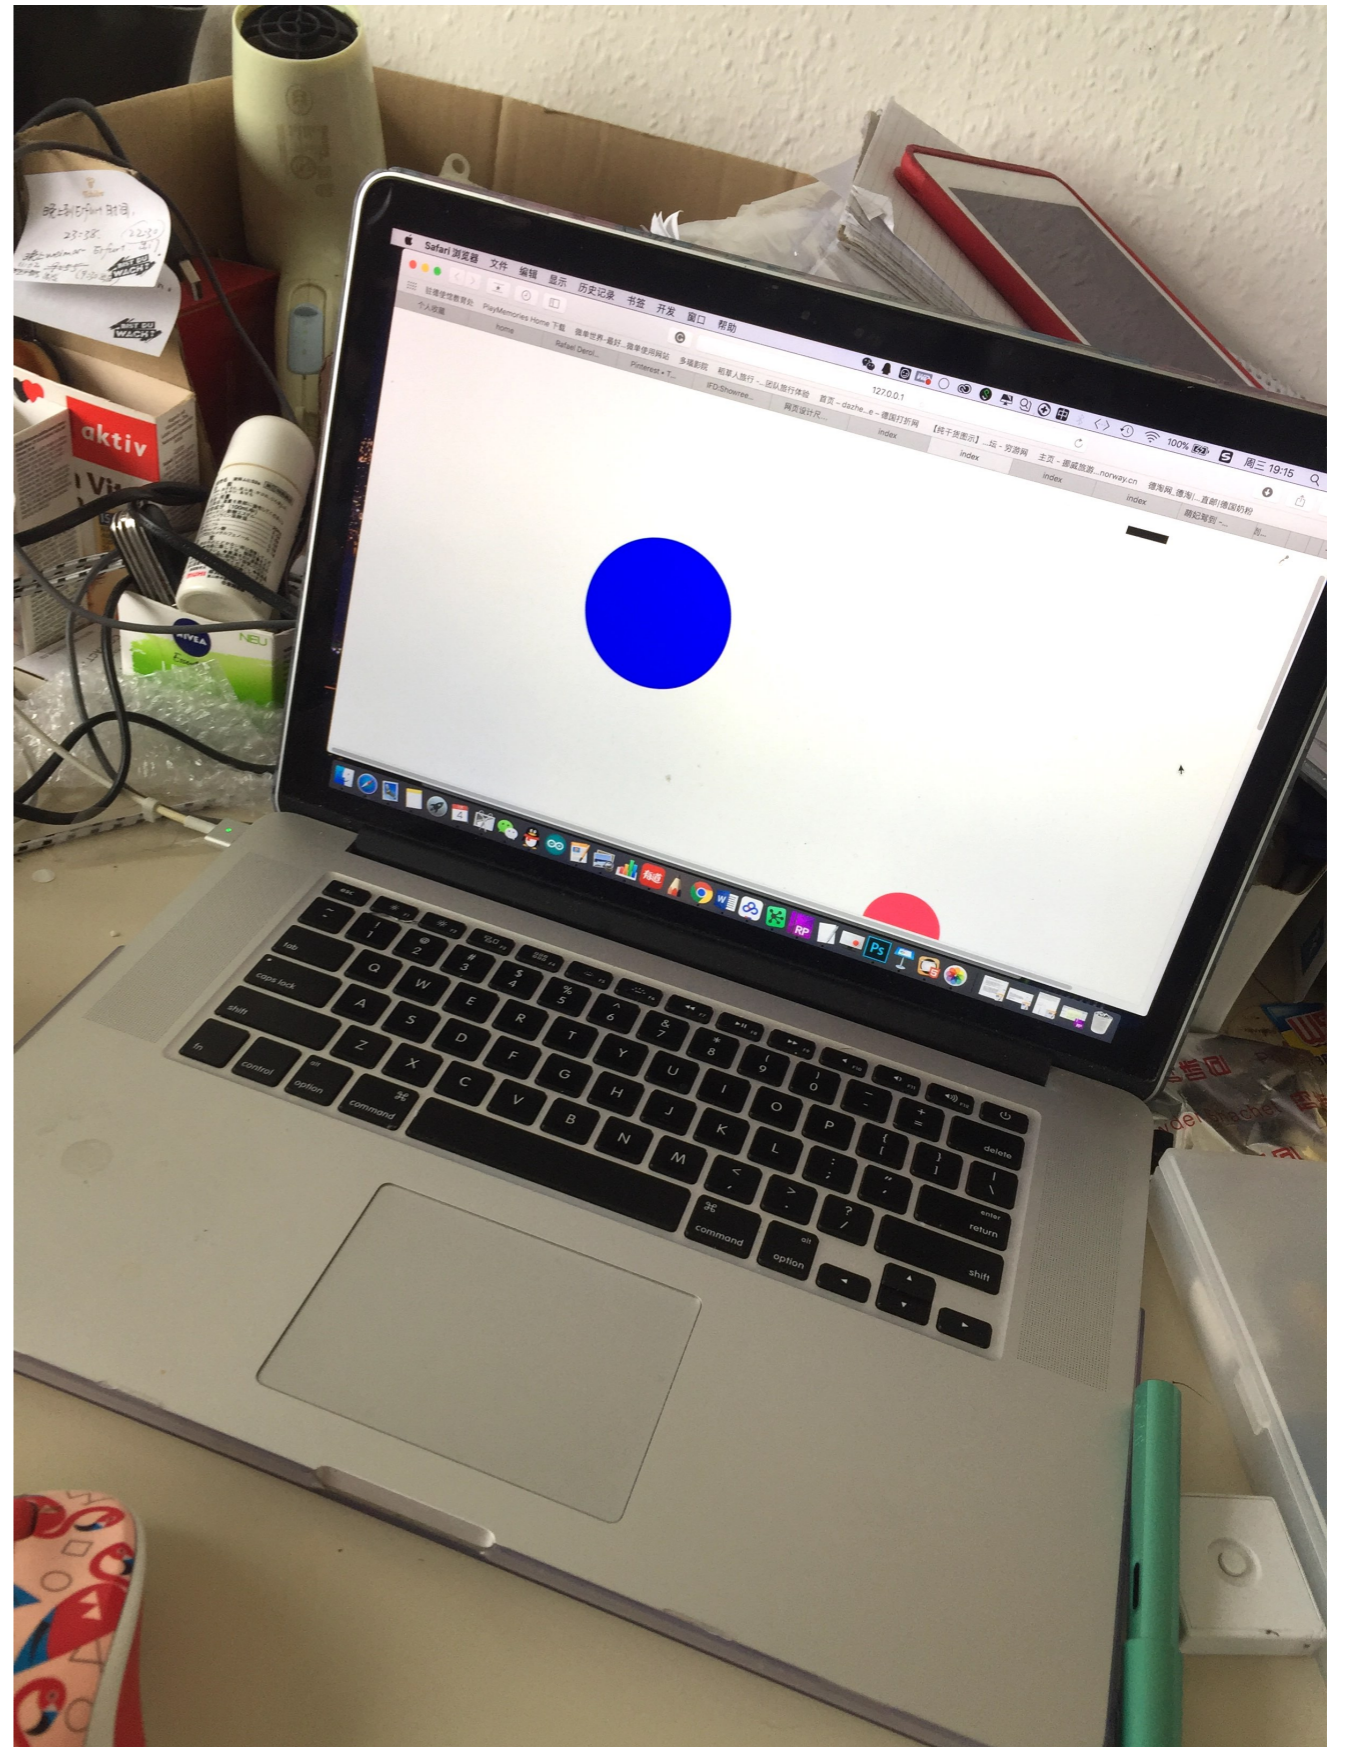

“It looks like a **unfinished work**”

“No picture and word makes me feel **confusing**, I don't know where am I”

● Advantages

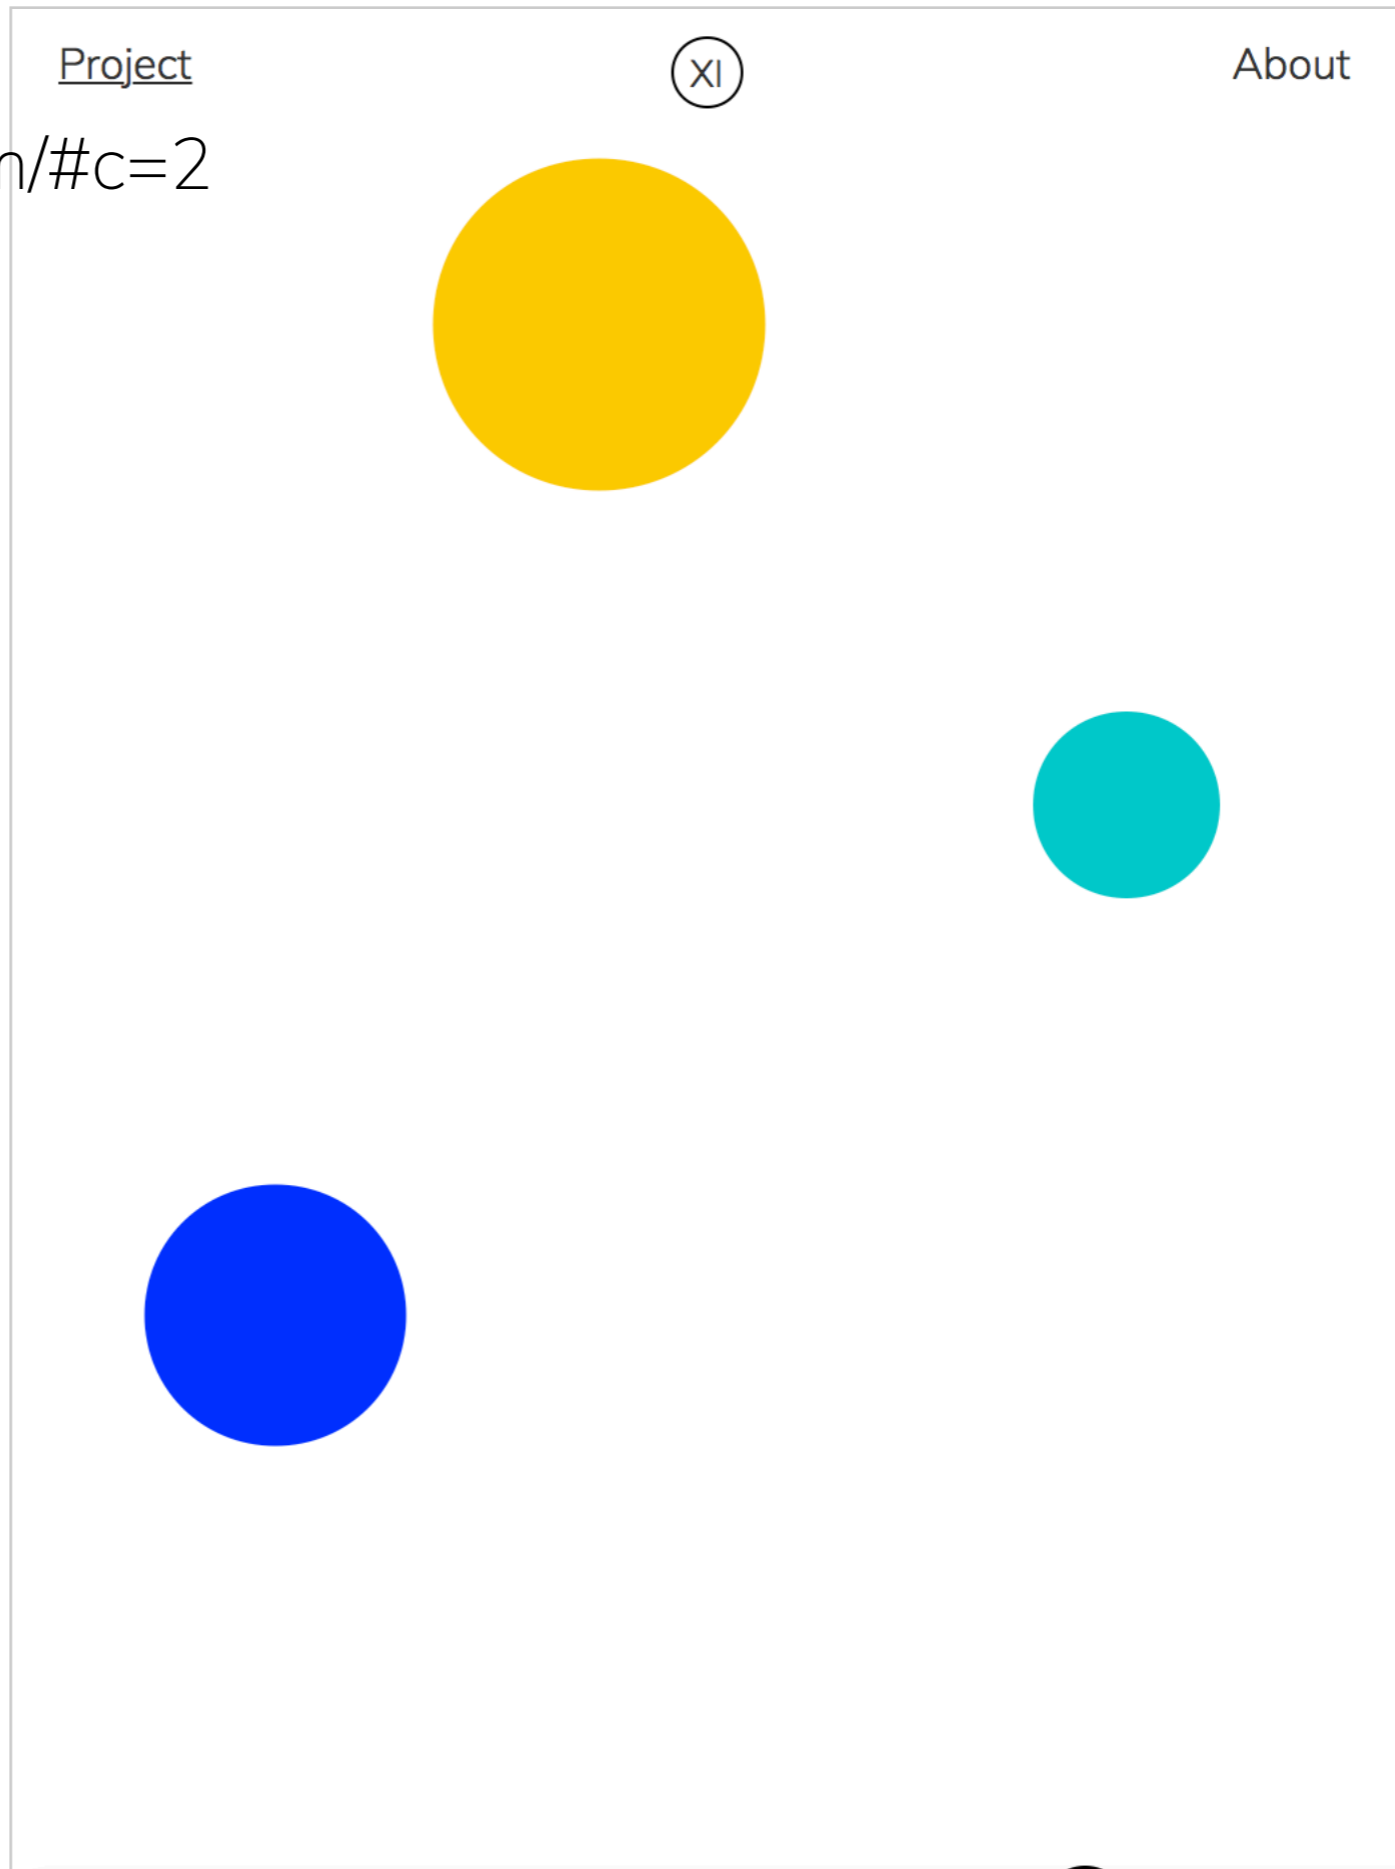

“I really like the way I touch those bubble and then a new stuff comes, like exploring.”

Basic navigation is very necessary and important
