

KÖRPER RAUM STADT

PROJECT
from
Franziska Burkhardt

I
WALK

I HAD THIS BIG „HOLE“ IN MY HEAD

I WANT TO DO SOMTHING WITH MY BODY
BRAINSTORM

FIRST

DURING MY FIRST WALK I MADE CATEGORIES

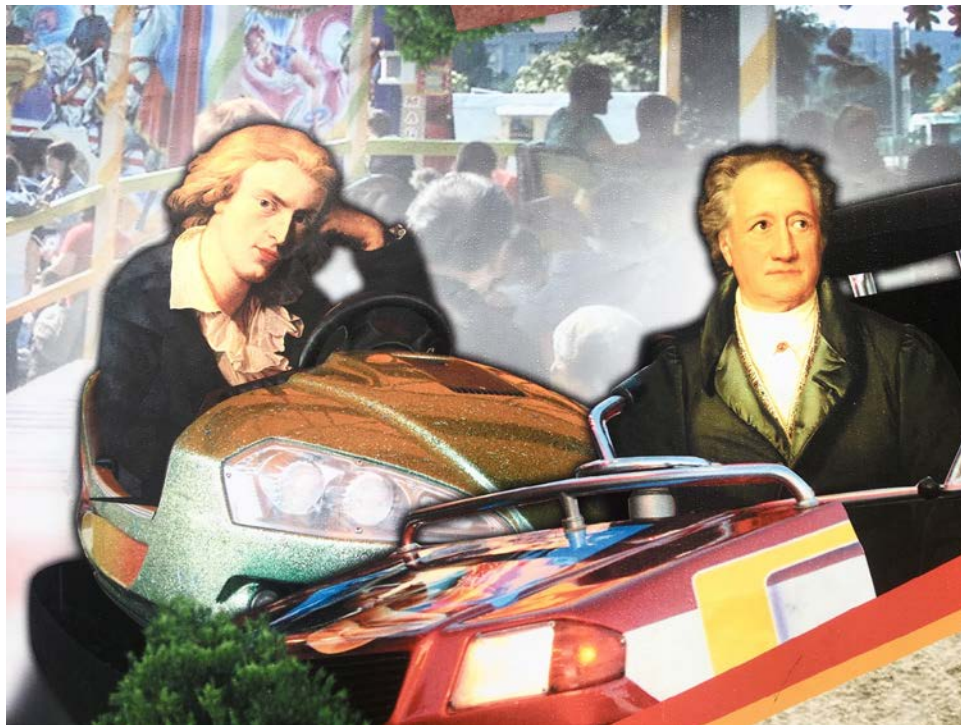

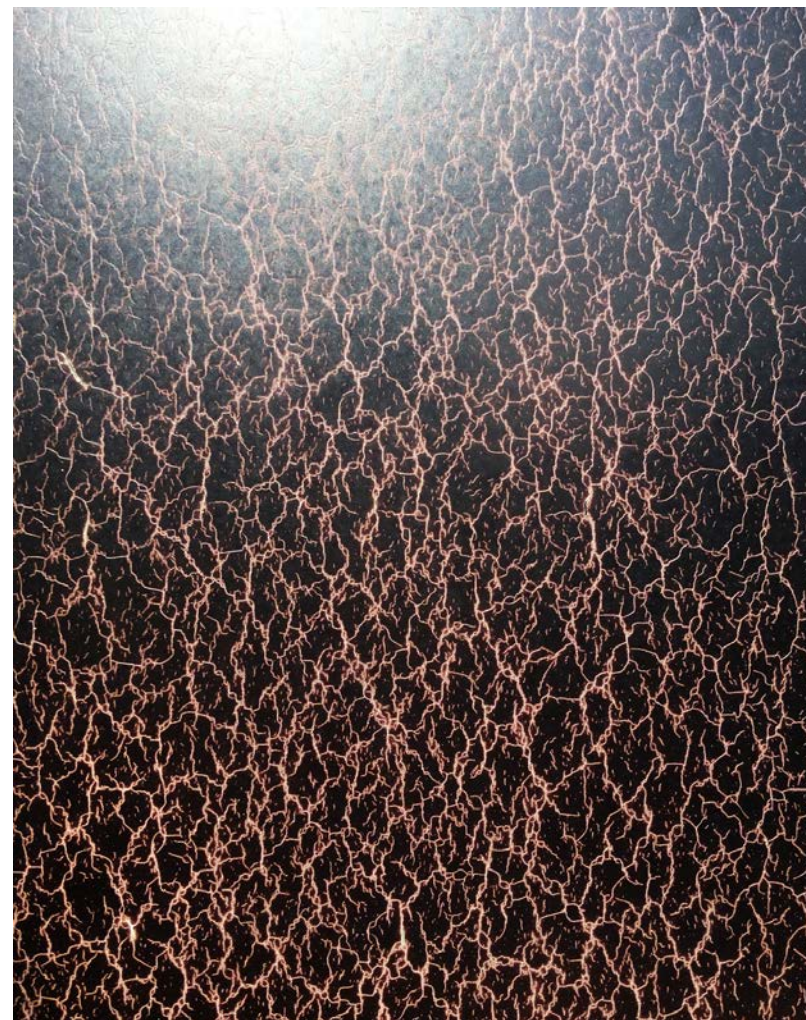

SECOND, THIRD...

DURING MY OTHER WALKS,
I ONLY COLLECTED WHAT I FOUND INTERESTING,
WHAT MADE SOMETHING WITH ME

IN MY EYES,
IN MY BRAIN,
A FEELING
OR A SYMPATHY...

CONNECTED TO MY BODY
LIKE UNDER A MICROSCOPE
A FORM LIKE A PART OF MY BODY, LIKE AN OLD IMAGINATION
A STRUCTURE IN MY BODY
A LITTLE CELL

II + III
WALK

IV PROJECTION

WHAT I FOUND...
PROJECTED ON MY BODY, WITH AN OVERHEADPROJECTOR

QUESTION

WHAT WILL HAPPEN IF I PUT A PLACE, AN OBJECT OR STRUCTURE ON MY BODY?
DO I MADE A NEW SPACE?
HOW CAN I ACT?
WHAT WOULD MY BODY DO?

MOVE, CREATE, DANCE, SEE, FEEL

POWER
LIGHT

ON/OFF
