**We are excited to welcome you in
Weimar and have prepared a rich
social programme for you!**

*Are you already looking forward to your time in Weimar?
We hope that our social programme increases your anticipation even
further.*

Please keep the following in mind:

1. Service Package

Some of the events are only open to participants, who have booked the Service Package. If you have not booked the Service Package at the time of applying, but wish to do so now, please contact us via springschool@uni-weimar.de. Activities for participants with Service Package only are highlighted! ()

2. Online-Registration via Congeno

For some events, the number of spots is limited. Therefore, we kindly ask you to register for them on Congeno. Simply follow the links indicated in this brochure. The rule is: first come, first serve! So make sure to register early.

Activities with a unlimited number of participants do not require registration. You can simply go there and take part in them!

3. Be fair!

Do not take away spots for others! Please only register for one excursion per day – you can only participate in one at a time anyway. Also, free up your place, if you cannot make it to an activity for which you have registered. You can either deregister on Congeno or directly hand over your spot to someone else.
