Social Program

02-29 August 2026

Are you already looking forward to your time in Weimar? We hope that our social program increases your anticipation even further.

Please keep the following in mind:

1. Online-Registration via Congeno

For some events, the number of spots is limited. Therefore, we kindly ask you to register for them on Congeno. **Simply follow the links indicated in this brochure. The rule is: first come, first serve!** So, make sure to register early.

There is no guarantee of participation in all events. Limited places are allocated among participants according to availability and time of registration.

Activities with an unlimited number of participants do not require registration. You can simply go there and take part in them.

2. Be fair!

Do not take away spots for others. Free up your place if you cannot make it to an activity for which you have registered. You can either deregister on Congeno or directly hand over your spot to someone else.

3. Stay in contact

Please keep in mind that there might be spontaneous changes to the program, so we suggest you join our WhatsApp group if you haven't already, to ask your questions, hand over or change your spots, and stay updated.
